

Create a personalized
kitchen for you

KITCHEN FAUCET

Leur train de vie est parfois trop chargé
Un foyer chaleureux leur sert de refuge
Ils recherchent un espace riche en matières stimulantes
Ils aiment l'union des vies au sein de leur cuisine
Ils s'y retrouvent autour d'un bon repas en famille ou entre amis
Ou ils profitent d'échanges agréables autour d'un verre de vin

CREATE WHOLE KITCHEN SPACE

Exquisite and delicate textures
bring out an elegant and generous
atmosphere, and express a life of
vitality. The combination of nature
and humanity makes it easy for you
to have a quiet and charming space

LIFE WITH TEMPERATURE

Is to discover the true nature of life
Give back your time, give back your life
Away from the noise outside the residence,
Return to family peace and quiet.
Remove the illusion of the world,
Return to the essence and innocence of the world.
Break through the boundary of the mind,
Return to warm and warm love.

KITCHEN FAUCET

HIGH QUALITY

High quality stainless steel faucet, designed for you, it understands your heart and discovers your needs. Full of features, design is extraordinary, you can trust and have. Abandon all excesses and restore the beauty of minimalism. It's simple and never empty, with the charm of classic design.

GREEN HEALTH

Stainless steel needs to go through complex and long years. In the harsh underground mining area, it can be finally formed only after deep excavation and mining by manual machines and then through complex refining.

COLD WATER+HOT WATER+PURIFIED WATER

Cold and hot+direct drinking water outlet at the same time

COLD WATER HOT WATER PURIFIED WATER

With the improvement of living standards, people are paying more and more attention to the quality of life. Improving traditional lifestyles has increasingly become a hot spot for consumers. Kitchen faucets have also begun to follow people's habits, designing a humanized, multi-functional faucet.

Cold and hot+direct drinking water outlet at the same time

Know how to use simple elements to make life, pursue the quality of life, elegant people are pragmatic and not exaggerated, natural and natural, such as a glass of champagne, fragrant and refreshing, fascinating, intoxicating life taste.

PULL-OUT

BASIN FAUCET

The combination of simplicity and complexity,
hardness and softness,
delicacy and profundity,
vulgarity and art,
tradition and fashion achieves a perfect balance,
and takes a tonal route to
create a space for petty bourgeoisie to live in.

Presentation of high-
quality life style

KITCHEN FAUCET

The kitchen faucet series combines the trend
design and many performance features,
Bring real benefits to your kitchen.
Exciting design with distinctive product features,
Let you feel that every second you are busy in
the kitchen sink is fun,
Not household chores.

PULL-OUT KITCHEN FAUCET

A variety of colors to choose from, and can be pulled, so that you can reach the sink distance of up to 1.2 meters. In addition, its automatic, retractable device automatically retracts the shower tube. The extra long spout can be rotated 360 degrees. As long as you pull down the sprinkler, you can control the flow and open and close by pressing the button.

LED TEMPERATURE SENSING DISPLAY

There Is A Sense Of Technology And More Temperature

The design idea of the modern fashion concept innovation,process improvement, and the introduction of high-tech elements,and strive to make the perfect practical bathroom hardware.Conform to the needs of the times constantly,the brand concept has been integrated into the beautiful and practical elements, which is more close to the life of the city.

TOUCH INDUCTION
DIGITAL DISPLAY

The kitchen is a hands-on place, and many things need to be handled at the same time. We have developed a product with two innovative solutions, which can control the water flow without using hands, and improve the hygiene, convenience and intuitive usability of the kitchen. Just touch with your wrist or elbow to control the faucet. Free your hands and keep the faucet clean and shiny. Change your kitchen control with one touch.

K-CL-1051
